Kakuma Yousuke is a third-year college student looking for employment. During his second year, he'd immediately rebuffed his classmate Nakayamada Kazuki's offer. "Won't you have sex with me?" But that time, Kazuki's declaration of "I could make you feel so good you wouldn't be able to think of anything else," was the beginning of their relationship. At first, Yousuke would shy away from sex, but he was healed by the unexpectedly tolerant Kazuki and was gradually captivated.

Then, one day, Matsumura, a man from Yousuke's past -- who he seems to know -- appears before them. The mature-* series, "Nakayoshi Wanko" complete volume! With two other published volumes under her belt, Matsumura Iroiki's highly anticipated entrance into "born-** style comics!

THAT'S BULLSHIT!
HAVE YOU HAD A SUDDEN CHANGE OF HEART?
YOU SEEM MORE SENSI-TIVE THAN USUAL.
WHAAAA-T
WELL... UM... AH. SINCE WE'VE STARTED SEEING EACH OTHER, WE'VE SPENT A LOT OF TIME TOGETHER AND IT FEELS GOOD WHEN WE DO, AND BESIDES, WE LOOK GOOD TOGETHER!
SO... ISN'T IT TIME TO TAKE THINGS TO THE NEXT LEVEL?

WE'RE FOOLING AROUND!
WE'RE FUCK BUDDIES!
WE'RE JUST HAVING FUN!
N-NO!
STOP BEING SO STUB-BORN!!

As Your Heart Wishes |END

[Nakayoshi Wanko]
One day while I was writing a BL manga with a pretty uke, I was told they would release a book where I would be allowed to draw muscular ukes, so jumping up and down in joy I began writing, and that was when this series was born.

I've always loved the pretty-boy x muscular boy (well, man, but let's call him boy) combination, and up until now I'd only written a little bit of it here and there, so after I was told I could write it openly, I was overjoyed. People told me both the title and the manga showed how over-excited I was. (continues onto next page)

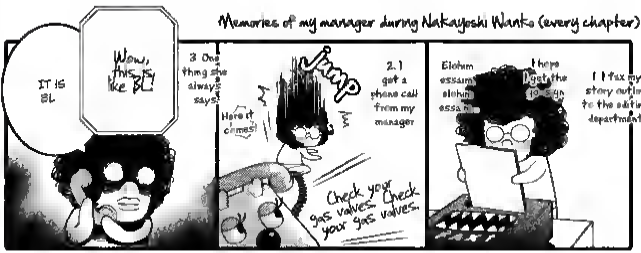
(continued)
I guess it also had to do with the fact that the other manga I was writing at the same time as this had a dark storyline. As a counter-effect this story became even more lovey-dovey. That's an excuse actually, in truth I looooove wishy-washy lovey-dovey stories.

At the time I'm writing this note, the first story came out five years ago (!) and the last chapter came out last year (!!). I apologize for the huge change in my drawing style. It hurts me to look at it too... Do Yousuke and Kazuki look a little more grown-up?

My manager says she likes Kazuki. I'm glad, but at the same time, a little disappointed. But to be fair, Kazuki is the more mature one. He probably had a lot going on in his past... Even though he's still young. As for Yousuke, I just realized that he fits the "tsundere" trend that was going on last year. For once I'm with the trend! Personally when I have a muscular-looking man who can do his thing as the uke, it's very moe for me, so I hope when he grows up he makes it big.

Makimura.. ended up being the antagonist in this one.. I'm sorry, man...

Oh, and Yousuke and Kazuki's names are actually taken from a work that I really really love. The kanji are changed, though. If you know what it's based off of, hope you get a laugh! As for Makimura... his name was random.



Memories of my manager during Nakayoshi Wants (every chapter)
IT IS BL
Wow, this is like BL!

IS THAT SO...?
WAIT WHY
DO I GET THE FEELING THAT SENSEI SOUNDED A BIT... DISAPPOINTED?

Tasukete! Sensei / Help me, teacher!

Wow... nice title, I know.
I'm pretty sure you noticed how unvarying the characters were. Sensei looked exactly like Yosake, so I just added some facial hair. My friend laughed at me about the nipple-sucking scene!

Kumo ni Kakeru Hashi / A Bridge to the Clouds

The first light-haired pretty-boy (?) uke I've drawn in a while. He ended up sounding more like an old man though, especially the way he lectures haha. I am glad though that I was able to draw a mother character that looks like she's cheating (Hwh???)

The bishie x manly uke combo is still minor, but has been getting more popular lately. All throughout 'Nakayoshi wanko' I kept thinking to myself, maybe if I keep writing this, more people will see the goodness of it! I'm glad I was able to bring it to a close in this way. Thanks for reading!
